JOKERLIGHT HEADQUARTERS  
VALENCIA · SPAIN

Jokerlight is the Arkoslight's brand in the United States. Arkoslight is a leading European company in the manufacture of technical luminaires for architecture. Our mission is to bring spaces to life through high quality lighting. We create a product that combines design, effectiveness and performance with the latest technology.

# JOKERLIGHT

The European company was founded in 1984. At that time, José Luis Latrás was an enthusiastic entrepreneur with a clear purpose: to devote his life to his greatest passion, light. With quality and service as the key factors to achieve business success, he has managed to bring the firm to the international recognition and to reap success in the most demanding markets.
